#### **Independent Auditor's Report**

Board of Directors Partnership With Native Americans Addison, Texas

We have audited the accompanying financial statements of Partnership With Native Americans (PWNA), which comprise the statements of financial position as of December 31, 2016 and 2015, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of PWNA as of December 31, 2016, and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedules of Change in Net Assets listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

#### Note 1: Nature of Operations and Summary of Significant Accounting Policies

#### **Nature of Operations**

Partnership With Native Americans (PWNA) is a 501(c) 3 nonprofit committed to championing hope for a brighter future for Native Americans living on remote, geographically isolated and impoverished reservations. Collaborating with 1,000+ reservation partners, PWNA provides immediate relief and supports long-term solutions for strong, self-sufficient Native American communities.

PWNA believes that Native American peoples have the power within themselves to build strong communities. The tribal community members who PWNA partners with know the challenges that exist and are finding solutions to them. PWNA is a consistent, reliable resource to lift up their efforts to provide hope and support for their success today and tomorrow. Using a dual approach, PWNA responds to immediate needs in tribal communities by providing food, water and other critical materials, and supports community-led projects that sustainably address the core symptoms of poverty and contribute to self-sufficiency.

PWNA cares about quality of life for Native Americans and respects their self-determined goals for their tribes. Working year-round through their reservation partnerships; distribution network; and passionate staff, Board members and volunteers, PWNA benefits 250,000 Native Americans each year.

First incorporated as National Relief Charities in North Carolina in 1990, PWNA's mission and principal activities are:

- a) to focus public attention upon the challenges, needs, concerns and conditions of Native Americans;
- b) to provide goods, equipment, services and funds to relieve the challenges and meet the needs of Native Americans living on impoverished reservations, to make gifts and grants for such purposes to other charitable and educational organizations, and to assist governmental and administrative bodies in alleviating the problems and conditions of Native Americans; and
- c) to focus public attention upon the needs of animals living on reservations in the Plains and Southwest and provide goods, equipment, services and funds to support the alleviation of their suffering.

PWNA, formerly National Relief Charities, officially changed its name with the Internal Revenue Service and incorporated in the State of Texas, on January 28, 2015.

#### Cash and Cash Equivalents

PWNA considers all liquid investments with original maturities of three months or less to be cash equivalents. At December 31, 2016 and 2015, cash equivalents consisted primarily of money market accounts with brokers.

# Notes to Financial Statements December 31, 2016 and 2015

PWNA maintains its cash and cash equivalents with what it considers to be quality financial institutions. At December 31, 2016, PWNA's cash accounts exceeded federally insured limits by approximately \$1,070,000, which may constitute a credit risk.

#### Investments and Investment Return

Investments in equity securities having a readily determinable fair value and in all debt securities are carried at fair value. Other investments are valued at the lower of cost (or fair value at time of donation, if acquired by contribution) or fair value. Investment return includes dividend, interest and other investment income; realized and unrealized gains and losses on investments carried at fair value; and realized gains and losses on other investments.

Investment return that is initially restricted by donor stipulation and for which the restriction will be satisfied in the same year is included in unrestricted net assets. Other investment return is reflected in the statements of activities as unrestricted, temporarily restricted or permanently restricted based upon the existence and nature of any donor or legally imposed restrictions.

#### Foreign Currency Transactions

Assets and liabilities of operations that transact in a local currency environment, where that local currency is the functional currency, are translated to U.S. dollars at exchange rates in effect at the statement of financial position date, with the resulting translation adjustments included in Other Income. Income and expense accounts are translated at average exchange rates during the year. Re-measurement adjustments are also recorded in Other Income.

#### **Property and Equipment**

Property and equipment are stated at cost less accumulated depreciation. Depreciation is charged to expense using the straight-line method over the estimated useful life of each asset. Leasehold improvements are depreciated over the shorter of the lease term or their respective estimated useful lives.

The estimated useful lives for each major depreciable classification of property and equipment are as follows:

Buildings 39 years
Building - improvements and leasehold improvements 3 – 39 years
Furniture and equipment 3 – 7 years
Vehicles 5 years

#### Long-lived Asset Impairment

PWNA evaluates the recoverability of the carrying value of long-lived assets whenever events or circumstances indicate the carrying amount may not be recoverable. If a long-lived asset is tested for recoverability and the undiscounted estimated future cash flows expected to result from the use and eventual disposition of the asset is less than the carrying amount of the asset, the asset cost is adjusted to fair value and an impairment loss is recognized as the amount by which the carrying amount of a long-lived asset exceeds it fair value.

# Notes to Financial Statements December 31, 2016 and 2015

An impairment loss of \$93,396 was recognized on the Sherman property during 2015 based on the agreed upon purchase price, net of expenses, on a contract. The loss is included in management and general expense in the accompanying statements of activities and as a separate line item in the accompanying statement of functional expenses—2015. The Sherman property is recorded as asset held for sale in the accompanying statements of financial position (See *Note 4*). No assets were impaired in 2016.

#### Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets are those whose use by PWNA has been limited by donors to a specific time period or purpose. Permanently restricted net assets have been restricted by donors to be maintained by PWNA in perpetuity.

#### **Contributions**

Gifts of cash and other assets received without donor stipulations are reported as unrestricted revenue and net assets. Gifts received with a donor stipulation that limits their use are reported as temporarily or permanently restricted revenue and net assets. When a donor stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Gifts that are originally restricted by the donor and for which the restriction is met in the same time period are recorded as unrestricted.

#### **In-kind Contributions**

In addition to receiving cash contributions, PWNA receives in-kind contributions of clothing, medical supplies, toiletries, food, educational products and other items from various donors. It is the policy of PWNA to record the estimated fair value of certain in-kind donations as an expense in its financial statements, and similarly increase contribution revenue by a like amount. For the years ended December 31, 2016 and 2015, \$22,074,599 and \$23,093,702, respectively, was received in in-kind contributions. Approximately 63% and 64%, of all in-kind contributions were received from three donors in 2016 and 2015, respectively.

#### Inventory

Inventories consist of donated and purchased supplies and are usually acquired through major retailer and not-for-profit organizations donations.

• **Donated Supplies Other Than Food** – Donated supplies are recorded at their fair value based upon the estimated price paid by the donor. PWNA values items by identifying the gross profit margin of the retailer and researching the average retailer price for the item via retailer websites. Once the average price is determined, it is reduced by a percentage equal to the gross profit margin of the retailer. This values the donated item at the approximate price paid by the retailer.

## Notes to Financial Statements December 31, 2016 and 2015

• **Donated Food** – PWNA values food items at the average wholesale price per pound of food as determined by a price study commissioned by Feeding America, the largest food charity in the U.S. This rate applies to all food regardless of type or packaging. For the years ended December 31, 2016 and 2015, the average wholesale price per pound of food was \$1.70 and \$1.72, respectively.

#### Shipping and Handling Costs

Shipping and handling costs of \$7,943,787 and \$7,542,219, for 2016 and 2015, respectively, are included in program expenses.

#### Income Taxes

PWNA is exempt from income taxes under Section 501 of *the Internal Revenue Code* and a similar provision of state law. However, PWNA is subject to federal income tax on any unrelated business taxable income. There was no unrelated taxable income in 2016 and 2015.

#### Functional Allocation of Expenses

The costs of supporting the various programs and other activities have been summarized on a functional basis in the statements of activities. Certain costs have been allocated among the program, management and general and fund raising categories based on direct salaries and other methods.

#### Fundraising Expenses

All costs attributable to the production, printing and mailing of literature to the public that have both educational and fundraising appeal, have been allocated between fundraising and program expenses in the financial statements as they meet the requirements for the allocation of joint costs as provided by Accounting Standards Codification (ASC) Topic 958-720-50, *Accounting for Costs of Activities that Include Fundraising*.

#### Note 4: Assets Held for Sale

In 2015, PWNA began actively pursuing the sale of its former headquarters in Sherman, Texas. At December 31, 2015, the property was no longer in use and was listed in assets held for sale. During 2016, the property was sold for \$776,000 and PWNA recognized a gain on sale of assets of \$26,000.

#### Note 5: Annuities Payable

PWNA has been the recipient of multiple gift annuities which require future payments to the donor. The assets received from the donor are recorded at fair value. PWNA has recorded a liability at December 31, 2016 and 2015, of \$16,660 and \$20,545, which represents the present value of the future annuity obligations. The liability has been determined using discount rates of 1.20% to 2.20%.

In 2014, PWNA executed a gift annuity agreement issued to a Maryland resident. *The Code of Maryland Regulations* No. 31.09.07.03E requires organizations to maintain assets equal to the outstanding annuity agreements. Temporarily restricted net assets included \$16,660 and \$20,545 at December 31, 2016 and 2015, respectively, to this agreement.

#### Note 6: Net Assets

#### Note 7: Operating Leases

Noncancellable operating leases for office space expire in various years through 2020. These leases require PWNA to pay all executory costs (maintenance and insurance).

Future minimum lease payments under operating leases are:

2017	\$ 199,286
2018	155,601
2019	160,489
2020	80,652
Total minimum lease payments	\$ 596,028

Rent expense for 2016 and 2015, was approximately \$252,000 and \$231,000, respectively.

#### Note 8: Pension and Other Postretirement Benefit Plans

PWNA has a 401(k) plan covering substantially all U.S. based employees. PWNA contributions to the plan are 3% of annual compensation of all eligible employees. Contributions to the plan were \$85,583 and \$92,042, for 2016 and 2015, respectively.

# Notes to Financial Statements December 31, 2016 and 2015

#### Note 9: Allocation of Joint Costs

PWNA conducted activities that included requests for contributions, as well as program components. Those activities included direct mail, planned giving and telemarketing campaigns. The costs of conducting those activities included a total of \$11,128,643 and \$9,365,499, in 2016 and 2015, respectively, of joint costs, which are not specifically attributable to particular components of the activities. These joint costs were allocated as follows:

	2016		2015	
Fundraising	\$	5,070,484	\$	4,496,551
Plains Indian Services		3,023,917		2,589,539

	\$	11,128,643	\$	9,365,499

#### Note 10: Disclosures About Fair Value of Assets and Liabilities

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- **Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2 Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- **Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of financial position, as well as the general classification of such assets and liabilities pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the year ended December 31, 2016.

## Notes to Financial Statements December 31, 2016 and 2015

#### Investments

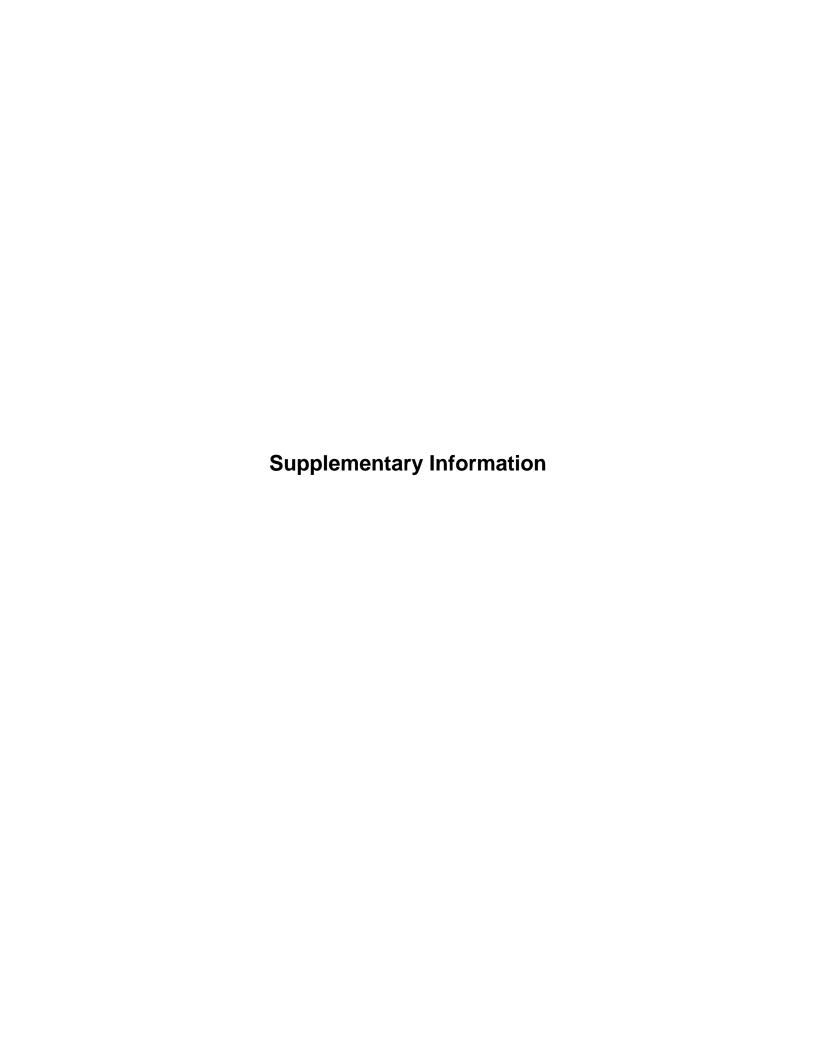

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy. PWNA did not have any investments that are classified as Level 3.

#### Note 11: Foreign Exchange Risk

PWNA engages in activities that extend beyond the borders of the United States and are susceptible to adverse changes in the currency markets. As of December 31, 2016, PWNA had approximately 1,400,000 Philippines Pesos worth approximately \$28,000. Annual gains or losses from foreign currency translations have been minimal.

#### Note 12: Subsequent Event

Subsequent events have been evaluated through May 22, 2017, which is the date the financial statements were available to be issued.
