

New beginnings are exciting, offering the promise of hope and the anticipation of change. In 2022, we remain focused on developing intentional solutions to build a collective movement so that, **together**, we can address the array of barriers facing Indigenous communities.

**We thank you for your commitment to Partnership with Native Americans**, because when we forge the power of our donors, community leaders and collaborative partners to achieve equitable solutions to shared goals, we bring new opportunities to those we serve. With your help, in just one month alone, we are on track to reach new heights.

# 2022 GOALS

- Serve 200,000 Native Elders, children, and families, providing 3,000,000 pounds of food, water and other supplies.
- Inspire Indigenous communities by elevating Native voices and calling for social change, collaborating with 645 program partners to drive community solutions.

## Nutrition

- Deepen our efforts to mobilize resources addressing Native communities' most urgent needs, providing 740,000 pounds of food and water to 34,000 individuals.

## Education

- Ensure Native students maximize their potential, training 4,000 youth in career development and providing 265 higher-education and trade school scholarships.
- Launch Four Directions Development (4D) training cohorts, equipping 95 emerging tribal leaders to increase economic opportunity and strengthen community assets and outcomes.
- Ensure 16,000 Native American K-12th grade students begin the school year equipped with school supplies and backpacks.

## Animal Welfare

- Deploy creative solutions to grow animal welfare services, providing 10,000 pounds of food and 15,000 pounds of supplies to serve over 5,000 animals.
- Forge new partners, collaborations and streamlined resources to vaccinate 1,500 dogs and cats across Indian country.

## Emergency

- Continue our reliable response to emergency and natural disasters, serving 100% of tribal partners requesting disaster aid.
- Leverage our expertise on Emergency Preparedness and Response teams, training 425 Native Americans as the first line of defense to bolster learning, response, and community readiness.

## Holiday

- Provide practical gifts for 15,000 Native American Elders and children who experience disenfranchisement during the holidays.
